

**Undergraduate Research Assistant
(PSYCH 491) Application**

Dr. Patrick Armstrong and his graduate students in counseling psychology currently have some openings for students who are interested in getting experience as research assistants. This type of experience can be very helpful if you are thinking of going on to graduate school.

Students will have the opportunity to gain valuable experience and to work closely with graduate students and faculty, in addition to earning course credit. Prerequisites for Psych 491 are: completion or current enrollment in Psych 301, Junior or Senior status, and GPA of at least 2.50. We will review your application and will contact you if we can place you in the course.

Name: _____ Date: _____

Phone: _____ Email: _____

Year: _____ Anticipated Graduate Date: _____

Overall GPA: _____ Psychology GPA: _____

Major(s): _____

Minor(s): _____

Career Goals: _____

Psychology courses completed or currently enrolled: _____

Have you taken Psych 491 before? If yes, how many credits did you take and with which lab?

Other Research Experiences: _____

Have you completed the Human Subjects Training? When? _____

How many credits are you interested in taking in this lab? _____

Thank you for your interest. Please contact the lab at idl@iastate.edu if you have any questions or concerns.
