

**Undergraduate Research Assistant
(Psych 491) Application Form**

Dr. Jonathan Kelly is currently accepting applications for undergraduate research assistants (Psych 491) in The Navigation Lab (NavLab) at Iowa State University. To apply, please return this form to Dr. Kelly (jonkelly@iastate.edu).

Research experience is an excellent opportunity for students considering graduate school in any area, but especially in psychology-related fields. Research assistants will work closely with Dr. Kelly and lab members on a research project, in addition to earning course credit. Prerequisites for Psych 491 are 1) completion of Psych 301, 2) Junior or Senior standing, 3) minimum GPA of 2.5, and 4) successful completion of a cognitive psychology course (310, 312, 313, 316).

Name: _____ Date: _____
